Kol HaOt

Giving Opportunities

Builder of Kol HaOt: \$50,000

Help Kol HaOt ensure our new Center in Jerusalem is vibrant and lively. This gift will cover rent, utilities, as well as the Artist-in-Residency program for a year in our new home.

Visual Beit Midrash: \$25,000

As our flagship program for this coming year, we wish to create a vibrant Beit Midrash program where artists come together to learn Jewish texts, engage with outstanding Jewish educators, delve into paired Hevruta study, create inspired art and celebrate their learning with a vibrant exhibit.

Jewish Creative Escape Room: \$15,000

Following the worldwide success of the Escape Room format, we wish to create a Jewish creative “escape room” in our new Center. This would allow visitors to engage with Jewish values and art in a self-guided, mysterious, interactive and challenging game that would be available year round.

Rotating Exhibits: \$12,000

Enable us to curate rotating exhibits that will fill our gallery space with inspiring, engaging and challenging artwork on various Jewish themes. Each exhibit includes curation and production, as well as opening and closing events (3 units available per year).

All donations to Kol HaOt are tax deductible in the US through our fiscal sponsor, The Center for Jewish Culture and Creativity (indicate in memo line: “For Kol HaOt”)
